Description

This Whaley home, located in the highly desirable La Marina Estates neighborhood, sits on a quiet, interior street. The kitchen, with its original 1955 layout, overlooks the formal dining room and the large family room. The family room, with a wet bar, looks out on the vast patio and backyard. Plenty of room for a pool, for a garden, however you want to enjoy the large space. The formal living room has a fire place and can be a quiet oasis. The master bedroom is located at the back of the house, with 2 bedrooms in front. 2 full bathrooms are side-by-side in the hallway, both recently updated. The detached 2 car garage has tons of storage and a bonus room (not included in home's square footage) that can be used as a gym, a home office, or whatever you need. A long driveway back to the garage allows ample parking, or room for a RV or boat. Laundry is located in the garage. This is a great opportunity to live in one of Long Beach's most popular neighborhoods, with the highly rated Tincher Preparatory (K-8) as the assigned school, and the new Sato Academy of Math & Science within walking distance.
